

Mrs Chapman

Since your brother
left we have found the package
snugly laid away in the lower
drawer of Mr. Fuller's Secretary.
I send it to you without breaking
the seal, supposing that you may
wish to make some use of it this
evening or to morrow. If so, please
retain it & let me have it to re-
-vise at some future time. If
not please return by the bearer
& much oblige

Yours truly

A. A. Phelps.
